

Calendar of events

3

- July 3-7 American Association for the Advancement of Science Gordon Research Conference on Chemistry and Physics of Metals, New Hampton, New Hampshire
- July 10-15 Conference on Properties of Semiconducting Materials (sponsored by International Union of Physics and Royal Society), Reading, England
- July 12-14 American Society of Civil Engineers (Annual Convention), Toronto, Canada
- July 12-24 Institute of Aeronautical Sciences (Annual Summer Meeting), Los Angeles, California
- July 17-21 International Commission of Optics, London, England
- July 19-26 Conference on Optical Instruments (Sponsored by Optical Sub-Committee of British National Committee for Physics), London, England
- July 24-26 Conference on Ionospheric Physics (Sponsored by Pennsylvania State College and Geophysical Research Directorate of USAF), State College, Pa.
- July 24-29 Industrial Radiology Group (Summer Meeting and Scientific Exhibition), London, England
- July 26-August 19 University of Michigan Summer Symposia on Electronics, Theoretical Physics, and Fluid Mechanics, Ann Arbor, Michigan
- July 31-August 6 American Association for the Advancement of Science Gordon Research Conference on Instrumentation, New London, New Hampshire
- August 14-21 Sixth International Congress on the History of Science (Sponsored by the International Academy and the International Union for the History of Science), Amsterdam, Holland
- August 21-26 New England Association of Chemistry Teachers, Storrs, Connecticut
- August 30-September 6 International Congress of Mathematicians, Cambridge, Massachusetts
- September 3-8 American Chemical Society, Chicago, Illinois
- September 8-9 Symposium on Plasticity (held under the auspices of the Graduate Division of Applied Mathematics of Brown University), Providence, Rhode Island
- September 10-13 American Institute of Chemical Engineers (Regional Meeting), Minneapolis, Minn.
- September 13-15 Institute of Radio Engineers (West Coast Convention), Long Beach, California
- September 14-16 Electron Microscope Society of America (Annual Meeting), Detroit, Michigan
- September 14-22 Congrès International de Microscopie Electronique (Sponsored by Société Française de Microscopie Théorique et Appliquée), Paris, France
- September 17-23 Congrès de Chimie Industrielle, Milan, Italy
- September 18-22 Instrument Conference and Exhibit (National), Buffalo, New York
- September 18-23 International Conference on Spectroscopy at Radiofrequencies (Sponsored by Netherlands Physical Society), Amsterdam, Netherlands
- September 21-23 Polymer Chemistry as Applied to Plastics Symposium (Sponsored by Society of Chemical Industry), The University, London, England
- September 28-October 1 Associazione Italiana di Metallurgia (4th National Congress), Florence, Italy
- October 2-5 Technical Association of Pulp and Paper Industry Engineering Conference, Cincinnati, Ohio
- October 10-12 National Academy of Sciences, Schenectady, N. Y.
- October 11-14 American Society of Civil Engineers, Chicago, Illinois
- October 16-20 Society of Motion Picture and Television Engineers, Lake Placid, New York
- October 18-19 Conference on Industrial Hydraulics (Sponsored by Armour Research Foundation), Chicago, Illinois
- October 19-21 Conference on Gaseous Electronics (Sponsored by Electron Physics Division, American Physical Society), New York City
- October 23-27 American Institute of Electrical Engineers (General Meeting), Oklahoma City, Oklahoma
- October 23-27 American Society for Metals, Chicago, Illinois
- October 26-28 Optical Society of America, Cleveland, Ohio
- November 3-4 Society of Rheology, New York City

Sky and TELESCOPE

for astronomical news . . .

- current illustrated articles
- significant evaluations of modern observational and theoretical advances written by Dr. Otto Struve
- departments of interest to the amateur and professional astronomer and the scientist working in related fields—book reviews, news notes, observing information, telescope making pages

Sky and Telescope, now in its ninth volume, brings you all this and more each month. Subscription is \$3.00 in the United States; \$3.50 to the Pan-American Union; \$4.00 Canada and foreign.
