THE BRITISH INSTRUMENT INDUSTRIES EXHIBITION

**BRITISH
INSTRUMENT
INDUSTRIES
EXHIBITION**

**OLYMPIA LONDON
JUN. 30 - JUL. 11 '53**
OPEN DAILY (EXCEPT SUNDAY) 10 a.m. - 6.30 p.m.

Nowhere in the world
will you find an
exhibition, specialising
in instruments
and instrumentation,
of the size and scope of

Every field of instrumentation in Industry, Medicine, Research and Education is covered. You will be able to see all classes of temperature, pressure and flow controllers for industrial use, complete equipment for sea and air navigation and land surveying, British equipment for the research laboratory in pure and applied science, and precision equipment in such diverse fields as metrology and photography.

The full scope of the products of the British Instrument Industry will be revealed at this exhibition. Present users of instruments and industrialists,

whose problems might be solved by appropriate instrumental control, will find a visit to this exhibition extremely rewarding.

IT'S CORONATION YEAR!

Accommodation should be booked as early as possible. If you require any assistance, or an official catalogue of the exhibition if you are unable to come, write to the Organizers:—
